Subject: PM on Barriers at Washington Navy Yard

Good Morning (b) (6)

Please stop preventative maintenance work on the barriers at the Washington Navy Yard until further notice. The intention was to modify the current contract to have PMs done on Saturdays, however, the current funding situation has prevented us from doing so. We will notify you once we are able to modify the contract to begin work again. Thank you for your time and efforts. If you have any questions or concerns please feel free to contact (b) (6) or me.
